## ALL-CITY GRIDIRON TEAM

### SELECTED BY THE STANDARD

#### GIVES OGDEN SIX PLAYERS

Player.	Position.	School.
Allen	Left end	Ogden
Doxey	Left tackle	Weber
Skeen	Left guard	Ogden
Croft	Center	Weber
T. Doxey	Right guard	Ogden
Stone	Right tackle	Ogden
Critchlow	Right end	Weber
Brewer	Quarterback	Weber
Richards	Left halfback	Ogden
Lindsay	Right halfback	Weber
Irwin	Fullback	Ogden

With the 1919 grid season ended and with Ogden represented with two first class elevens during the season with the aid of the writer, Coaches Watson and Douglas, Fred Kanzer, one of the most competent officials in the west, and Billie Glasman, former Ogden star, The Standard has selected an all-city team that would do honor to any city. The all-city selection has been made possible since Weber has adopted the gridiron game and in future years the fight for pieces on the city and state teams should be keen. In other large cities of the United States two or more city teams are represented on the gridiron, the city selection is made yearly and The Standard this year adopts a similar plan.

In both Weber Normal and the Ogden High this year a number of stars appeared and it has been extremely difficult to select an eleven due to that fact. However, the men have been selected by vote from the five selections submitted and the men obtaining the most votes have been granted the honors.

Football from two standpoints has been considered. First, the player must be a star on both offensive and defensive play, he must be heady, a quick thinker, and a good tackler. With these to his credit he is termed a polished player and in making the final selection the men with such qualifications were granted the honors.

**Richards Captain.**

With his great playing a feature of every game during the season, Lee Richards is unanimously named captain of the city team. Richards' own fame throughout the state as a grid player this year and his wonderful work on both offensive and defensive play was regarded as marvelous. Richards is a polished player and should make one of the Utah colleges a player of class during the next four years. He is placed in the left halfback position.

As running mate for Richards, Lindsay, the star of the Weber team, is placed in the right halfback position. Although Lindsay is playing his first season, he has developed into a star of the first order. He has been the class of the Weber eleven during the entire season and has shown a world of development.

**Brewer a Star.**

Brewer, the stocky quarterback of the Weber crew, was the pilot position through his flash work during the season. He was not the usual choice, however, but managed to win the honors by posing Thomas, the Tiger pilot, out by two votes. Brewer played a good brand of ball during the season and his generalship aided the Weber stars in their battles.

The fullback position goes to Irwin unanimously. Irwin is one of the best backs in the state. He hits the line with great force and is always on his toes. Irwin played a stellar game for the Tigers and his addition to the backfield stars already picked would make a formidable aggregation.

Croft, the stocky Weber center, is easily the classiest of the men in that position. He is a good passer, quick, thinks fast and is a wizard on opening up holes.

Critchlow of Weber and Allen of Ogden win the end positions. Both boys displayed class galore during the season and aided their aggregations by their heady playing. Critchlow, playing his first year, showed marked improvement in each game. He has the ear marks of a great player in the years to come. Allen, pitted on the other end, played a great game for Ogden. He is a star of the first order and would be a valuable addition to any aggregation.

In the tackle positions Stone of Ogden stands head and shoulders above the other candidates. Stone won all-state honors and is a polished tackle. He opens up holes with great regularity and is a tower of strength on defense. Doxey of Weber is chosen as a running mate for Stone. Doxey is a new man but has shown great ability at the tackle position and is awarded the tackle position unanimously.

Skeen and Doxey of Ogden are awarded the guard positions. Both of these players have displayed class during the season. Skeen, in particular, is a human tank on both offensive and defensive play. Doxey, on the other hand, displayed some good football. With the selection Ogden secures six men on the all-star team and Weber secures five.

The work of Thomas, Vasey, Brown, Johnson, McNulty and Hirt deserves honorable mention. These men were in the fray throughout the season but the class displayed by the men selected was just a shade better. For Weber Jeppson and Davis stand out as individual stars and receive honorable mention for their work during the season.

## YOUNG AND GILBERT

### BOUT IS PROMISING

When Al Young, of Ogden, and Pat Gilbert of Salt Lake meet in the American Legion boxing contest at the Armory, Monday, December 8, the fans will not only see one of the classiest glove events ever staged here, but they will be given opportunity to vent their good-natured spleens on the burg to the south, that has the temerity to send forth their boxer against the Ogden lad.

Everybody knows Al Young and everybody but one knows Pat Gilbert. And that one is Al Young himself, who says that Gilbert will want to know nobody after December 8. But then these boxers will have their little professional jealousies and they do seem to make a bout of this kind interesting.

Beside the main event, which will be twelve rounds to a decision, the American Legion will put up two rip-roaring prelims.

Out of the bouts sponsored by the American Legion will be decided the intermountain and later, probably, the western lightweight championship.

## Five Deaths on Grid

### During 1919 Season

CHICAGO, Nov. 29.—Football, the roughest of American outdoor sports, claimed five victims during the 1919 season, which closed with Thanksgiving day games, according to reports to the Associated Press today. The number of deaths—the lowest in years—was five less than in 1918, seven under the toll of two in Chicago. There were eighteen lives lost during 1918 season and sixteen in 1915.

Development of the open style of play to supplant the dangerous smashing game, is mainly responsible for the decreasing number of fatalities.

All victims of the 1919 season, with one exception, were high school players without expert physical training.

The list of victims:

Ted Johnson, 19, Wayzata, Minn.; died November 27 from concussion of the brain after being tackled in a high school game.

Lewis Moulton, Needlesha, Kan., member of a high school team, died November 5, as the result of a broken neck received in a practice game.

Calvin Libisher, 17, Urbana, O., died September 29 from cerebral injuries sustained in a high school game.

Gardner Dow, New Haven, Conn., member of the Connecticut Agricultural college eleven, died September 27 from concussion of the brain, injured playing against New Hampshire college.

Joseph Blanche, 16, Moline, Ill., died October 30 of blood poison which developed from an injury sustained in a neighborhood game.

UNCLE MOE ON THANKSGIVING—  
“Thanksgivin’, lad,”  
Says Uncle Moe.  
His face allight  
In th’ pine knots’ glow,  
Will soon be yere  
Wit’ turkey brown,  
Thet hits th’ spot  
All th’ way down,  
An’ cranberries,  
An’ pumpkin pie  
Like mother makes,  
An’ money can’t buy.  
But—after all  
‘Twon’t mean much  
Ef we’re hevin’  
Riots, strikes an’ such;  
An’ of th’ treaty  
Hain’t signed yit  
An’ our soldiers on  
Th’ Rhine still sit;  
I’ll take more  
Than turkey, lad,  
T’ keep a mother  
F’m bein’ and  
An’ wonderin’ whar  
Her so nite at,  
An’ dussin’ th’ chair  
In which he sat,  
An’ of it’s goin’  
T’ be thotaway—  
Might better fergit  
Thanksgivin’ Day.

## Denver Club Seeks

### Services of Five Utah Track Stars

With prospects for a bigger and better year in athletics in the western country the Denver Athletic club of Denver, Colo., has written letters to a number of Utah athletes in which they urge the Utahns to represent them in athletic competition. W. Creed Haymond, Al Warden, Ted Johnson, Clinton Larson and Alma Richards are some of the track stars who have received letters from the Denver organization.

Warden represented the Denver organization in 1917 in the ten mile classic staged at Denver, while Johnson wore the colors of the Denver club for a number of years.

Haymond is the national collegiate champion in the 100 and 220 yard dash events and is rated as the fastest turn-of-race runner America has ever known. He captained the University of Pennsylvania track and field stars during the past year and has established a great record throughout the entire country.

Alma Richards was a member of the Olympic team in 1912 and won the high jump at Stockholm. Since that time he has won scores of track events. He copped the all-around championship at San Francisco in 1915 and at Paris during the 1919 meet of the allies won the high point honors.

Clinton Larson, B. Y. U. star, is rated as the greatest aerial man that the track world has ever developed. Larson copped the high jump at Paris this year and was the national champion in 1916 and 1917. He has a record of 6 feet 7 3/4 inches in the high jump.

Ted Johnson, former western champion, is a long distance runner of considerable note. He has won races in all parts of the country and has won the big Denver ten-mile event on four occasions. Johnson is being sought for the ten-mile jaunts for the Denver club. He has been on the path for the past ten years and is still able to step off miles in fast order.

Al Warden started his running career in 1915 at Salt Lake and has won

## HARBERTSON AND

### TIGER CRAMER TO

#### MEET ON DEC. 10

Ogden wrestling fans are looking forward with considerable avidity to the bout on December 10 between Jack Harbertson, Ogden’s favorite grappler, and “Tiger” Joe Cramer of Pueblo, Colo.

The match is being promoted by Charles Revell, who brought Pete Visser and Jim London together here. It will be held at the Orpheum theatre.

Cramer will arrive in Ogden next Wednesday and will immediately arrange for training quarters. He is mountain reared and does not expect to be troubled with the altitude, the alibi of many who have gone before. Cramer now weighs in the neighborhood of 182 but will train down to 178, the weight at which Harbertson agreed to meet him.

This grappler has a wide reputation throughout the middle states and on the coast, where he has met the biggest of the big uns.

Harbertson is always in trim, but will start his regular training for the bout next week. He will weigh in at 175 pounds, thus giving his opponent the best of three pounds.

The match on December 10 will be the forerunner of a number of others, Harbertson said. He contemplates a return to the mat and will accept challenges from anyone who can make 175 pounds.

Promoter Revell said today that the forfeit money from both men has been posted and no hitch is expected in the arrangements for the bout, which will be the first to be held here since the Visser-London bout of last spring.

more than one hundred races since that time. He captained the track team at San Diego under naval colors and has a record of 1 minute and 57 seconds in the half mile. He established a record of 21 minutes and 45 seconds for four miles at Salt Lake in 1916, which has never been broken.

The Denver clubmen are also after the services of Bob Martin, the star distance runner of the Salt Lake Elks. However, Martin must serve another year under the colors of the Elks before changing organizations.

## 45,000 Fans Out

### To Witness Army

#### And Navy Contest

NEW YORK, Nov. 29.—Unsettled weather early today with prospects of rain, failed to dampen the enthusiasm of the 45,000 ticket holders for the annual football battle between the army and navy at the Polo grounds this afternoon. A light rain that fell during the night made the gridiron heavy and slippery—a condition that handicapped the lighter eleven from Annapolis.

The game, the first to be played between Uncle Sam’s rival service schools since 1916 on account of war, attracted the usual colorful crowd. High officials of the army and navy and representatives of the diplomatic corps were among the rosters. Army gray and navy blue predominated in the great grandstands. The cadets and midshipmen arrived during the morning from West Point and Annapolis, respectively, and marched to the field, headed by their bands.

The mascots of the eleven attracted great interest. The navy goat, attired in a costly robe of blue, had the “edge” on the army’s mule because he had spent the evening in a room all by himself on the twenty-second floor of one of New York’s best hotels, while the braying mule of the army had to be content with sleeping quarters in a stable. Coats of the rival mascots were wagered on the outcome of the contest.

The army ruled the favorite in the betting, giving odds ranging from five to four and 2 to 1.

The probable lineup:

Army	Navy
Keller	Woodruff
Travis	Murray
Breidster	Denfeld
Greene	Larson
Vogel	Moore
Daniel	King
Blake	Ewen (capt)
Wilhide	Koehler
Lystadt	Clark
Schabacker	Cruse
McQuarrie (capt)	Watters

## Condensed Milk

### Interests Are Sold

Reports that M. S. Eccles of Logan has secured control of the Utah Condensed Milk company were received yesterday from Richmond, Utah.

Mr. Eccles has been identified with

BEAUTIFUL yachting scenes on a placid summer sea.

## AMERICAN LEGION

### BOXING BOUTS

Herman Baker Post, No. 9, American Legion, has arranged to give Ogden a series of high class boxing bouts, the kind the fans really like.

### AL YOUNG vs. PAT GILBERT

These two Utah lightweight contenders will box twelve rounds to a decision.

**At the Armory**  
**MONDAY, DECEMBER 8**

There will be good preliminaries—an excellent program throughout. From among the boxers appearing at the American Legion boxing bouts will be decided the intermountain and probably the western lightweight championship.
